**Seminar presenters will help solve business people puzzle**

DENVER – Lauri Osborne and CJ Juleff will present the Leadership Workshop “Solving the People Puzzle” from 11:30 a.m. to 1 p.m. on Oct. 29 at the Colorado Women’s Chamber of Commerce offices at 1624 Market St., Suite 340, in Denver, CO.

The workshop is \$15 for members, \$20 for non-members and walk-ins. Attendees can register online at [www.cwcc.org](http://www.cwcc.org).

Osborne and Juleff will help attendees figure out why people often feel like they are the only ones making sense in an office setting and what really makes people tick. They will also help participants figure out why some people click and others just never connect. During this seminar, individuals will learn how to tap into the power of personality. Additionally, attendees will also discover how to recognize and appreciate the variety of personality styles and outline strategies for connecting positively with each style.

Spectrum Leadership Development, LLC helps build leaders and stronger teams through leadership strategy design, assessment and coaching, team facilitation, and workshop design and delivery.
