

MOST POWERFUL WOMEN IN BUSINESS

The **Colorado Women's Chamber of Commerce's 10th Annual Top 25 Most Powerful Women in Business Gala** seeks to recognize influential women who have made significant accomplishments in business and throughout the community. Top 25 Women lift other women up, empower, and inspire other women in business and future women leaders. This year's honorees will mark 250 women who have been named Top 25 Most Powerful Women in Business!

The Gala will take place on Thursday August 17th, 2023 5:30pm – 8:00pm.

THE CRITERIA

Top 25 Most Powerful Women in Business nominees must meet each of the following criteria:

Passionate about the success and promotion of women in business

Nominees have inspired other women in the community who may even attribute their success to this individual. Nominees ensure that women have equitable access to tools they need to impact their business or area of expertise, advance in their career, and have the confidence to take on career challenges.

Civic engagement in the community

Nominees must have a track record of serving women and the advancement of women in business. Their work must be focused on helping disadvantaged women become self-sufficient and/or successful in the workforce.

Track record of success

Nominee must always be focused on the next step. Research shows that women don't often reach for top roles or promotions. Only 17% of CEO roles are held by women. Nominees must have a track-record of taking on difficult projects, innovating change, or pioneering new opportunities.

Exhibit perseverance

Change doesn't come easily, and this is especially true when it comes to the success of women in business. Some of our best female leaders did not take "no" for an answer and did whatever it took to be a trailblazer in their company, their business, or in the community.
